

## PRESS RELEASE: Montréal InVivo moves to Inspire Bio Innovations

**Montreal, March 26, 2026** - Montréal InVivo announces its relocation to the premises of **Inspire Bio Innovations**, located at **3650 Saint-Urbain Street, Suite 711 (H2X 2L5)**, in Montreal. As of March 26, the organization will no longer operate from its current address at 630 Sherbrooke Street West, Suite 460 (H3A 1E4).

Located in the heart of downtown Montreal and the university district, across from the Institut de recherches cliniques de Montréal, Inspire Bio Innovations stands out as a strategic hub for the life sciences ecosystem. This space brings together major pharmaceutical companies, biotechnology firms, research institutes, students, academic researchers, and innovative startups, all working collaboratively to accelerate scientific discoveries and their global impact.

*“This move represents a great opportunity for Montréal InVivo to position itself at the heart of Inspire Bio Innovations, a flagship space for collaboration and innovation. It also creates a unique opportunity for the entire life sciences and health technologies ecosystem to come together in one place and strengthen synergies among its stakeholders,”* said **Stéphanie Doyle, President and CEO**.

By establishing itself in this collaborative environment, Montréal InVivo reinforces its presence at the heart of the ecosystem and continues to pursue its mission of mobilizing, promoting, and advancing the life sciences and health technologies sector in Greater Montreal.

### About Montréal InVivo

Montréal InVivo is the life sciences and health technologies (LSHT) cluster of Greater Montreal. We represent a network of more than 1,500 companies connected to the sector—including 753 specifically in LSHT—and nearly 59,000 direct and indirect jobs across Quebec. Montréal InVivo acts as a catalyst for growth and collaboration, fostering a dynamic network for exchange, mobilization, and innovation to highlight emerging trends, amplify the sector’s voice, and support its economic development.
